MEMORANDUM FOR: Deputy Director (Plans)
SUBJECT : Army Request for CHALICE Clearances
REFERENCE : Memorandum for DCI Attn Mr. Bissell from
ACSI dated 30 March 1959 Same Subject (Attached)

1. [redacted] in delivering the attached paper to me, was
unable for DOD security reasons to give me further amplification of
the general explanation why the CHALICE clearances indicated in the
attached are required. Both he and I suspect that you would have infor-
mation bearing upon other DOD programs vaguely referred to.

2. I do not have enough information to give you an explicit
recommendation on the attached request except to suggest that you
may wish to call General Willems directly to get further explanation.
